## How to order a sign?

Choose the desired sign and relevant theme.

For all signs:

- Use the part number 'CUSTOMSIGN'
- Write the drawing number for the sign and relevant theme in the line notes

## When a venue has a conversion, how do I request the graphics content in the sign to be changed to the new theme?

For all Precision signs, please place a sales order for a graphics change request:

- Use the part number 'CUSTOMSIGN'
- Write "Graphics Change" with relevant theme in the line notes

Please note: Customers cannot upload/change graphics content to Precision signage themselves.
