

# Empowering Safer Play

## Mobile games

As at 11 November 2025

## Steps you can take to limit the money you spend

### Disabling or Restricting In-App Purchases

Big Fish Games and Product Madness social casino-style games are free to play and in-app purchases are available. Although purchasing is always an option, it is possible to disable, limit, or restrict in-app purchases via your mobile device settings.

- For instructions on preventing in-app purchases on your Apple device, please see this link: <https://support.apple.com/en-us/102470>
- For instructions on requiring a password or authentication before an in-app purchase is made on your Android device please see this link: <https://support.google.com/googleplay/answer/1626831?hl=en>
